Stewardship Reflection for this Week:

In today's Gospel, Jesus says that God is glorified when a disciple, grafted in Christ, produces abundantly and bears much fruit. The disciple must then be a good steward of that abundance.

Living Stewardship:

We are grateful this week for all stewards in our parish who share their gift of hospitality through ministries such as greeters, ushers and/or welcoming committees.

Thank you for sharing your gifts and talents here in our parish community.

BECOME A BIG BROTHER OR SISTER!

In just a few hours a month, you can impact a child's future. By simply grabbing a slice of pizza, taking a trip to the library or to the park, you can make a difference in the life of a child.

What is a Big? A 'Big' is a volunteer mentor who is matched in a one-to-one relationship with a child ('Little') in our program. A mentor is a friend, a supporter, a positive and consistent addition to the life of a Little. A Big Brother or Big Sister is not a replacement parent, a babysitter or a therapist. Children need someone to help share a different perspective on life and help them realize their endless potential.

TREASURES FROM OUR TRADITION

In medieval times, one country, Scotland, linked its economy to the liturgy. Four holy days of the church calendar were keyed to the legal year. On these days, rents were due, clergy and servants were paid, and contracts and leases would begin or end. The term days were Pentecost (called Whitsunday), the Feast of Saint Martin on November 11 (Martinmas), the Feast of the Presentation on February 2 (Candlemas), and August 2 (Lammas), a harvest festival. On Lammas day, the first loaf of bread from the summer wheat harvest was given to the village priest. After the Reformation, which swept the Catholic festivals away, the term days were gradually detached from the old feasts. It was only in 1990 that the term days were anchored on the 28th of February, May, August, and November. Today the old Scottish universities are the last hold-outs, still naming their terms or semesters after the old festivals. Scottish students today may not know about the liturgical year, but they still call the fall term Martinmas, and the spring session Candlemas.

LIVING BRANCHES

The Gospel and second reading for this Fifth Sunday of Easter emphasize the need for us to remain in Christ, and He in us. This shared life finds expression in the image of the one vine and many branches. We become living branches of the vine, members of the Body of Christ through baptism, Eucharist, and confirmation, sacraments of sharing God's own life. The First Letter of John describes the fruit of this vine as active love of neighbor: "And His commandment is this: we should believe . . . and love one another" (1 John 3:23).

Our first reading from Acts shows us an example of someone who shares in Christ's life in the person of Saint Paul. Paul's fearless witness, even at the risk of his life, is proof to everyone that the risen Lord's Spirit truly fills him with life and is bearing fruit in him.

PRAY THE ROSARY WITH US!

Join us before the weekday Masses, at 7:15 am, to pray Mary's Rosary and, if possible, stay for the 8 am Mass. The Blessed Mother said at Fatima that we should pray the Rosary every day, and if we do we will have peace in the world. AND pray the Rosary on Saturdays, at 12 Noon, in front of St. Patrick's Immaculate Conception Grotto.

It's a great opportunity to come together as a faith community.

Eucharistic Adoration

Each Thursday morning after the 8:00am Mass, there is **Eucharistic Adoration** of the Blessed Sacrament from 8:30am to 12:00 noon. A signup booklet will now be placed on a table near the Blessed Mother statue in an effort to increase attendance for the adoration. You may pick whatever time you would like to be present. The Lord said, "Can you not watch one hour with Me?" Maybe you can't spare an hour, but could you spare even 15 minutes or 30 minutes? We have this great gift left to us by Jesus Himself.

Come and be part of this wonderful weekly event.
